Atelier
« Régulateurs, mesures de Mahler et valeurs spéciales de fonction L »
16-20 février 2015

Workshop
"Regulators, Mahler measures, and special values of L-functions"
February 16–20, 2015

Mahler measures of hyperelliptic families

Wadim Zudilin*

Wadim.Zudilin@newcastle.edu.au

I will report on Boyd's conjectures concerning the Mahler measures of hyperelliptic families of polynomials.

This is joint work with Marie José Bertin.
