

ATELIER « ÉQUATIONS ET PROPRIÉTÉS DU PREMIER ORDRE DANS LES GROUPES »
11 – 15 OCTOBRE 2010

WORKSHOP ON “EQUATIONS AND FIRST-ORDER PROPERTIES IN GROUPS”
OCTOBER 11 – 15, 2010

Word maps and equations in simple algebras

Eugene Plotkin *
plotkin@math.biu.ac.il

In the talk we consider different examples of word maps and give a survey of recent results. In particular, we discuss Borel-type theorems for word maps on classical simple Lie algebra and distinguish the case of Engel maps.
