

Luc Vinet Nominated Fellow of 2018 Class of the AMS

Montréal, November 20, 2017. - Luc Vinet, director of the CRM, was recently nominated Fellow of the 2018 Class of the AMS. The Fellows of the American Mathematical Society program, created in 2013, recognizes members who have made outstanding contributions to the creation, exposition, advancement, communication, and utilization of mathematics.

A distinguished mathematical physicist, Luc Vinet has received numerous distinctions throughout his career. This year, he was awarded the grade of Officer of the National Order of Quebec by

Premier Philippe Couillard. His nomination as a 2018 Fellow of the American Mathematical Society adds to an impressive suite of recognition. It confirms his exceptional contribution in mathematical physics and in the theory of special functions, and for service to the mathematical community.

A reception to welcome new members of the 2018 class of Fellows of the AMS will take place during the Joint Mathematics Meetings, and organized by the AMS and the MAA in San Diego from January 10 to 13, 2018.
