STATLAB–CANSSI–CRM POSTDOCTORAL FELLOWSHIP

Applications are invited for a StatLab–CANSSI–CRM Postdoctoral Fellowship in Statistics.

To be eligible, candidates should have received their PhD after June 31, 2013, and must have fulfilled all PhD requirements by the time of taking up the award. The successful candidate must be supervised by at least one Regular Member of StatLab and be based in a member's institution for the tenure of the award. A list of StatLab members can be found here:

http://www.crm.umontreal.ca/labs/stat/en/membres.html

The fellowship is worth $45 000. A successful candidate will be designated a StatLab–CANSSI–CRM Postdoctoral Fellow for a period of one year, starting any time between June 1 and September 30, 2016.

An application includes: (i) a presentation letter outlining the candidates' research interests; (ii) the candidate's CV; (iii) at least two letters of recommendation.

Please send your application to eric.marchand@usherbrooke.ca by March 20, 2016. The results of the competition will be announced at the end of April 2016.
