COLLOQUE DES SCIENCES MATHÉMATIQUES DU QUÉBEC - Montréal  
<http://www.crm.umontreal.ca/Colloques/index.html>  
\*\*\*\*\*

**DATE :**  
Le vendredi 19 février 2016 / Friday, February 19, 2016

**HEURE / TIME :**  
16 h / 4:00 p.m.

**CONFERENCIER(S) / SPEAKER(S) :**  
Ovidiu Savin (Columbia University)

**TITRE / TITLE :**  
Elliptic PDEs in two dimensions

**LIEU / PLACE :**  
[UQAM, Pavillon Président-Kennedy, 201, ave du Président-Kennedy, salle PK-5115](#)

**RESUME / ABSTRACT :**  
I will give a short survey of the several approaches to the regularity theory of elliptic equations in two dimensions. In particular I will focus on some old ideas of Bernstein and their application to the infinity Laplace equation and to the Bellman equation in two dimensions.
