

## **Octav Cornea named Editor-in-Chief of the *Annales mathématiques du Québec***

**Montréal, May 1st 2017.** - On July 1<sup>st</sup> 2017, Octav Cornea, regular CRM member, director of the Séminaire de mathématiques supérieures and professor at the Département de mathématiques et statistique at the Université de Montréal, will start a 3-year mandate as Editor-in-Chief at [\*Annales mathématiques du Québec\*](#). He succeeds Dima Jakobson will complete his successful mandate on June 30<sup>th</sup>, and whom we would like to thank for his excellent work.

Octav Cornea's appointment has been made by Luc Vinet, CRM Director, and Alina Stancu, ISM Director, following the recommendation of the CRM-ISM Search committee formed last Fall by the following members: Alejandro Adem (UBC), Steven Boyer (UQAM), Galia Dafni (Concordia U.), Henri Darmon (McGill), Claude Levesque (U. Laval), Peter Ozsváth (Princeton U.), Christiane Rousseau (UdeM).

On behalf of all the people involved in the selection, we wish Octav Cornea success in his work at the *Annales Mathématiques du Québec*. [<http://www.springer.com/mathematics/journal/40316>].
